10th | CBSE Board | (2019)

Project Details

- **Title**: Incident Management System (IMS)   **Key Skills**: DRF, Python, SQL, JWT

Description: Developed a full-stack Incident Management System for efficient incident reporting and tracking. Implemented role-based authentication using JWT and built RESTful APIs for managing incidents, users, and departments. Features include incident status tracking, role-based access control, secure user login, and a comprehensive ticketing system with incident categorization and prioritization. Utilized SQL for database management.

- **Title**: School Management System   **Key Skills**: DRF, Python, SQL, JWT

Description: Developed a comprehensive school management system with complete CRUD functionality for managing school data. Implemented a **Fee Management Module** supporting both online payments via Razorpay and cash transactions, with automated **receipt generation** and **fee record tracking**. Designed a **Teacher Dashboard** for managing students, subjects, and assignments, etc. Resolved backend bugs, optimized API performance, and ensured secure communication using **JWT authentication** with robust **SQL** database management.

- **Title**: Techno Hub   **Key Skills**: DRF, Python, SQL, JWT

Description: Built an event management platform for **Techno Hub**, covering the entire process from **student registration and participation** to **sponsorship and event coordination**. Integrated **Razorpay** for secure online payments and sponsor transactions. Implemented multiple **CRUD modules** for managing recruiters, sponsors, events, and student activities. Focused on smooth backend workflows, API optimization, and reliable database handling.

- **Title**: Pinterest clone & Instagram clone   **Key Skills**: HTML, CSS, JS

Description: Built full-stack Pinterest & Instagram replica using HTML, CSS, JavaScript, Node.js and Express.js. Features include authentication, image uploading, following features, commenting, and responsive design.

Key Technical Skills
* Python   * HTML   * CSS   * JavaScript   * Django Rest Framework   * SQL

Workshops | Certifications
- Certificate in **React** Language at Sheriyans Coding School, Bhopal.
- Certificate in **Front-End Development** at Sheriyans Coding School, Bhopal.
- Certificate in **Back-End Development** at Sheriyans Coding School, Bhopal.
- Attended 15-day training on **Python** at SISTec-GN, Bhopal.
